

1. Separate out all old, torn, faded linen.
 - You can donate the slightly used items to a women's shelter and send old, worn items to a pet grooming service.
2. Organize the remaining linen by type.
3. Create 3 Separate Zones.
 1. Bath linen
 2. Bed linen
 3. Table linen
4. Remove cleaning products or other household items and store elsewhere.
5. Place guest linen in a separate basket.
 - You can add soaps, lotions and other treats to keep on hand for sleepovers.
6. Tuck a few scented sachets or dryer sheets between linen to keep it smelling fresh.
7. Create additional storage by utilizing an over-the-door rack.
